

Do you know how it feels to be able to turn the heat back on in the middle of winter for a family with six small children who don't understand why they sleep with their coats on?

Do you know the joy of bringing Christmas gifts to a single mom with three little girl's who thought Santa wasn't coming this year? Or the thrill of having them scurry off to their room with their goody bag only to return a few seconds later and thank you profusely?

Do you know the satisfaction of getting a homeless vet off the street and back into school? To give him back his future?

Do you know the gratitude of a home bound old lady when

you visit each month with her box of food? It's not the food; it's the visit that matters most.

Do you know the feeling of seeing someone come back to the Church after years of abstinence just because you helped them? You helped save their soul!

Do you like hugs of joy? **Do you like** making the tears stop flowing?

Do you want to heal the broken hearted? **Do you want** to make anxiety and despair go away?

Do you want to walk in Christ's shoes? **Do you want** to pass the entrance exam at the gates of heaven?

We get to do these things on a daily basis. You can too! All you need is a willing heart, a little time, and a love for your fellow man.

You won't get any pay, but, you might get a smile, a hug, or a heartfelt thank you and you'll earn your place in heaven.
